

Project Proposal

Elen Kartina

Rule-based morphological parser for Shughni language: nouns,
verbs and adjectives

Содержание

1	Alphabet testing page	2
2	Filler intruduction	2

1 Alphabet testing page

Consonant = б в w г ғ ř ŷ д δ ж з з̣ й к қ л м н п р с т θ ϕ х ӡ х̣ ц ч ш ч̣ ;
Vowel = а ā е ê и ī о у ū ŷ ;

2 Filler intruduction

I think this will have a great impact on the evolution of right wing umbrellas. The scope of this literature suggests that fillers will fill every fillable filling there is to fill.
